"Once a dream — now State Rankers, even from failed students."

PGTRB 2025

Achiever's Testimonials

As a student preparing under the newly revised syllabus, I faced a lot of uncertainty. But the guidance I received from Professor Academy—especially in Education Methodology and General Knowledge—gave me the exact pathway I needed. Their support didn't end with classes; they prepared us strategically even after the syllabus change. The YouTube 'One Day – Two Points' session was a major booster and played a crucial role in helping me secure State 1st Rank."

SHRI JANANAI S | STATE 1ST RANK | PHYSICS

"Simple habits made a big difference in my PG TRB prep — sticky notes, daily tests, and reviewing mistakes. I trusted only my class notes and Professor Academy materials to create clear, focused notes. These practices, along with Professor Academy's guidance, helped me secure State 1st Rank in PG TRB Computer Science."

DHIVYA D | STATE 1ST RANK | COMP. SCIENCE

"In my first attempt, daily 3-hour PYQ practice became my biggest strength in speed and accuracy. I practiced 30-question OMR sets to avoid mistakes and master exam-time shading. With Professor Academy's app tests, I learned smart solving techniques that lifted my performance."

NANTHINI S | STATE 2ND RANK | MATHEMATICS

"I never missed a 4:30 AM live class, and I always kept my materials ready — mobile, laptop, or a small notebook to study anywhere. One-page summaries and continuous app tests, where I focused only on correcting mistakes, strengthened my revision. These habits, along with Professor Academy's support, helped me achieve State 2nd Rank."

MANIMOZHI V | STATE 2ND RANK | COMP.SCIENCE

"As a first-attempt candidate, I followed a unique test-analysis method that clearly showed my strong, weak, and guessed questions. Professor Academy's crisp key points made tricky concepts easy, and avoiding distractions with proper sleep kept me fully focused. With this disciplined approach and their support, I secured State 2nd Rank in my very first attempt."

JOSEPHINE DHEEPIKA | STATE 2ND RANK | COMMERCE

"Professor Academy changed my entire approach — I learned that success needs consistent revision, not too many books. The 80-day plan, unit-wise notes, video classes, and mock tests kept me focused and track my progress. Their fast support and structured guidance played a major role in helping me secure State 3rd Rank."

RASME ALLAT | STATE 3RD RANK | GEOGRAPHY
